Back to School Prayer

*We thank you for the fragrance of a new box of crayons, Lord,
The rainbow in each perfect row;
Thank you for each bundle of snowy white notebook paper,
Awaiting fresh possibilities.
May they remind us that you make all things new and bless us with abundance.
Thank you for this ruler; for every eraser that tops every pencil.
May they help us remember to measure our blessings,
But never your boundless love for us;
To allow for the making of mistakes as a normal part of human learning.
As we lay out our new clothes for these first days of school,
Help us remember to put on Christ each day, too,
And to "clothe the naked" as He asked us.
But mostly, God, help us remember
that Jesus is always our best and most devoted teacher—
That we never outgrow all his lessons on how you want us to live and to love.*

Ministry of the Month

Worship MINISTRY

We are the Church of the Holy Child volunteer praise music group. It is our collective ministry to bring something special to the worship service, to lead the congregation in song and to enhance an atmosphere of praise and thanksgiving.

Another aspect of the music team, for which we have been blessed, is the depth and longevity of some of our members. While some are newer to the group, others have served as long as 20 years. Regardless, all have a unique God given gift and are honored to praise our Lord in song.

The presentation of the music on Sundays involves not only the members you see up front on Sundays. Many others serve our Lord in support roles which are equally important to the spiritual worship of the service. Those support roles include: sound system operations, slide show preparation and presentation, equipment configuration and maintenance and others. Additionally, and probably the most important function of the ministry, is the selection of the music. All songs are selected based on the specific readings for that week. This is done by prayerfully researching the readings from the church calendar and matching them with the songs. Listen to the readings and the songs and you will hear the same message in both. This is a true gift!!!!

The Praise and Worship Team is celebrating its 21st year of service starting in 1998, with only four members and a couple of guitars. Since then God has blessed us with many musical instruments and equipment including an electronic keyboard, electronic drum set, a beautiful sound system with CD recording capability, microphones, music stands, music and much more. The best part of it all is that God also has provided CHC with talented servants to turn the equipment into God's music.

We welcome all who would like to share their gift of music and love for serving our Lord. We practice Tuesday nights from 7:00 to 9:00 PM.

We would like to take this opportunity to thank the entire Church of the Holy Child family for the love and support given to the worship music team but most importantly to our Lord.

Humbly
